

Evelyn's is a family run business, named after my grandmother, who inspired a love of baking and all things cakey and vintage in both myself and her great granddaughter. Four generations of family baking and recipes influence our menu. Our speciality is afternoon tea, inspired by long afternoons spent drinking tea and eating cake together as a family. Always served on vintage china and Evelyn's tea trolley. The provenance of our menu is very important to us. We serve only ethically sourced teas, coffee and hot chocolate, some of which are organic and certified by the Rain Forest Alliance. We also serve a variety of traditional soft drinks. All of the meat and eggs we use are free range and all of our cakes, biscuits and puddings are home-made.

My team and I invite you to relax, enjoy the company of family and friends or a quiet time alone and let us serve you with home-baked cakey creations, puds to die for and an excellent, old fashioned customer service. We always aim to exceed your expectations and your server will leave a review slip with your order. We would be grateful if you could take the time to leave your feedback to help us to improve.

Thank you for your custom. If you are happy please tell your family and friends about us. If not, please ask to speak to Debs or Melissa before you leave Evelyn's Tea House.

Thank you.

Debs & Melissa

If you require allergen information about our menu, please ask your server before placing your order. Whilst we offer dishes made with wheat/gluten/dairy/nut free ingredients, despite stringent hygiene practises we cannot guarantee that they are 100% wheat/gluten/dairy/nut free as they are prepared in a kitchen handling these ingredients.

We are proud that all of our teas, coffee & hot chocolates are ethically sourced. All of our eggs are free range. We are able to adapt much of our menu to suit different dietary requirements so please ask!

*As a small business we are **CASH ONLY**.*

Details of our special offers, cake selections & changes to our opening hours are posted on our social media pages.
